Our purposes for processing information about you

We use the information we hold about you for a variety of purposes which are outlined below. Data protection law requires us to tell you what our legal reason is for each purpose.

Contractual purposes

When you ask us to provide you a service, such as club registration and membership, gymnastics classes, competitions, trips or other activities we usually need to use information about you to provide this service, for example:

- To contact you to confirm arrangements;
- To notify you about changes to terms and conditions;
- To tell you when it is time to renew membership or re-register for activities
- To process payments or send you receipts required.
- To provide you with the benefits and services to which you have subscribed.

We do so because it is necessary for the performance of a contract.

Legal obligations

We have a duty of care to ensure it is safe for you or your child to take part in gymnastics activities and to keep you/them safe while participating. Some individuals may be at risk of harm from participating in gymnastics activity as a result of a pre-existing condition. It is vital that you let us know if there is any reason why taking part in gymnastic activities may be unsafe prior to participation. With your agreement, we will review any information you provide and undertake risk assessments in consultation with yourself and any appropriate trained professionals e.g. medical consultants. When we ask participants to provide relevant health information such as details of medical conditions, medication needs, allergies or injuries, this is because we have a legal obligation.

If you are selected for a role at the club, we will usually obtain a reference from any appropriate organisation or individual you have nominated.

When you tell us about any special needs such as disabilities or other support information we may use relevant information to comply with our legal obligations under the Equality Act 2010. We will review any information you have provided to help us identify any actions we can take to support inclusion. We may need to ask you for more information to help us to best meet your or your child's needs. We will keep a record of any steps we take to support inclusion.

If you are wishing to volunteer or work for us, we may need to ask you to complete a criminal record check as we have a legal obligation to do so. We jointly control the checking process with British Gymnastics who is responsible for the assessment of any content on the check and will only share information with us where it is appropriate. For example, if you are considered by British Gymnastics to be unsuitable to take on the role, we may share relevant and proportionate information about criminal offences if it is considered necessary for safeguarding purposes.

When we retain information about you, even after you are no longer taking part in gymnastics activity, this is often because we are required to do so by law such as records we are required to keep for business and accounting purposes. Sometimes we are also legally obliged to share information about you with third parties. More information it provided below.

Please share this privacy notice with those. They also have the same rights as set out in the “**Individual rights**”.

- **Administering first aid**, which, in the opinion of a qualified medical practitioner or first aider is considered necessary. Should such a situation arise, first aid will be administered while all reasonable steps are taken to contact the parent or an alternative emergency contact.

- **Maintaining attendance registers, achievement records, records of progress against an award scheme and waiting lists**

For health and safety purposes and club records, we need to maintain a register of those in attendance at training or other club activities.

If you wish to take part in a club competition, your information (usually your name, date of birth and gender) will be used to enter you into the appropriate category and your score will be recorded. Results of competitions may be published on our website and/or Facebook.

If you wish to enter a competition organised by another gymnastics body, including British Gymnastics, West Midland Amateur Gymnastics Association, other Regional and County Gymnastics Associations or gymnastics clubs we will provide your information to the organiser to enable you to take part in the competition or event that they are organising.

- **Collecting additional information to support a participant attending a club trip**
Occasionally we organise residential events or trips. If you or your child registers for one of these events, we will need to collect additional information, that may vary dependent on the specific activities and whether they involve meals and travel.

Additional information we require may include passport information and any other relevant information necessary to provide support whilst away from home.

- **Monitoring performance and undertaking fitness assessments**

If you or your child are/is a competitive or development squad gymnast, we will need to collect additional information about them. - **To monitor that you have completed any required safeguarding training and criminal record checks**

If you undertake a role where a criminal record check and safeguarding training are required, we will receive confirmation from British Gymnastics if your check is approved and that you have completed the required safeguarding training.

Let us know if you do not wish to be filmed or photographed or do not want your image to be published. While we can usually take steps to prevent you from being photographed or filmed at small club events, please bear in mind that at our large public events, it may be difficult to avoid capturing you in footage. However, we always review all photographs prior to publication and we will ensure any images of you are deleted.

If we are filming or taking photos for any other purpose, we will ask for your consent.
